### Site

The Anduze Temple is one of the largest in France, built between 1820 and 1823 on the site of the barracks yard.

The nave houses the benches arranged in a semicircle. The organ, installed in 1848, suffered from the devastating floods of 1958. It was restored in 1964 and rebuilt in 1992 by the Friends of the organ. Concerts of sacred and secular music are offered each year in this beautiful setting, excellent acoustics.

It was classified a historical monument June 18, 1979.

It is the place of worship of the Protestant Reformed Evangelical community.
